

GR-224BP Portable DRM/AM/FM Radio

DRM/AM/FM | Bluetooth | USB/TF player

Product Overview

GR-224BP is a stylish and elegant portable radio from Gospell. The modern design style matches your personal style. The crystal clear DRM digital radio and AM / FM provide practicality and comfort for your daily entertainment. The ingenious combination of full-band receiver, Bluetooth streaming media, music playback and room-filling warm sounds not only allows you to explore a wide variety of radio stations, but also sprinkles more fun into your daily life. It is also future-proofed for the next-generation DRM+ technology. You have access to all the presets, station names, program details and even Journaline news on the easy to read LCD in a simple and intuitive way. Sleep timer set your radio to automatically switch off or wake up at your convenience. Listen to your favorite radio programs anywhere you like with internal rechargeable battery or connect it to mains. GR-224BP is a versatile radio that is flexible to your listening preferences.
