

Single DIN Car Stereo Digital Radio Receiver with Bluetooth and USB/SD Player

Product Overview

The Gospell GR-520 car stereo is specifically crafted to cater to the demands of the latest digital radio technology. With its compatibility with DRM digital broadcasts, this receiver unlocks a world of new audio experiences for your vehicle. This feature-rich system boasts exceptional clarity in both AM and FM bands, offering an extensive array of programs to choose from. The car stereo's advanced Bluetooth connectivity allows wireless streaming of music, hands-free calling, and navigation services directly from your smartphone. In addition, the USB and SD card inputs allow you to play music and charge your mobile devices simultaneously. The Gospell GR-520 car stereo is equipped with powerful amplifiers and cutting-edge digital radio technology that delivers crystal clear and natural sound, making it the perfect audio companion for your road trips.
